

Child Protection and Disability Practitioner Course

Who is this learning opportunity for?

This workshop is aimed at a broad range of professionals and volunteers working with children and young people with disabilities, these include; children and family workers, health visitors, teachers, youth workers, students and the voluntary sector.

Course structure and content

This is a 3 hour workshop delivered by Dundee City Council Learning and Organisational Development Service and other multi-agency partners.

Learning outcomes

On completion of this course you will be able to:

- Refresh your knowledge of areas of abuse which are most prevalent for children with additional support needs (ASN)
- Increase confidence in managing situations of child protection & understanding systems in Dundee
- Identify strategies to keep children safe
- Explore the potential supports
- Refresh principles for communicating with children
